Pre-Harvest Sundowner Brings the Community Together

The Trayning Sporting Club was buzzing with activity on Sunday, 18 October, as locals gathered for a Pre-Harvest Sundowner to enjoy an evening of good food, live music and great company before the busy harvest season kicked off.

The afternoon began with a roll of bowls as part of a fundraiser for our local RFDs, with approximately 15 people taking to the green for a friendly afternoon of bowls.

As the afternoon rolled into the evening, local talent Sophie Jane made the trip across from Westonia to keep the crowd entertained with her fantastic live music. Meanwhile, Mrs Sippy's BBQ made sure no one went hungry, serving up a delicious range of burgers and loaded fries that proved popular throughout the night.

With beautiful weather setting the scene, the Sporting Club welcomed a fantastic turnout of approximately 70 adults, plus plenty of kids, who came along to make the most of a relaxing evening before harvest got underway.

The music kept everyone entertained, the food kept bellies full, and the drinks and conversations flowed well into the evening. It was a great opportunity for locals to catch up, unwind and enjoy some time together before the long days and busy weeks of harvest begin.

A big thank you to Sophie Jane, Mrs Sippy's BBQ and everyone who came along and supported the event. It was wonderful to see such a great turnout and the community coming together.

From everyone at the Trayning Sporting Club, we wish all our local farmers and harvest workers a safe and successful harvest!

Dog and Cat Registrations and Renewals

Dear Residents

The Shire will be organising the Ranger to attend all properties to confirm dog and cat registrations & renewals, this is due to an influx of pet complaints and enquiries being received by the Shire of Trayning.

To avoid any issues please action as below:

- New residents or new pets, please visit the Shire Office to register your dog or cat.
- If your pet is registered in another City or Council, you still need to update their record, so they are registered in the correct district. Current registrations can be transferred at no cost to you.
- If your pet is registered with the Shire of Trayning but you are unsure if it is current, you can contact the Shire Office on 9683 1001 to confirm or update the pet's details.

Please remember if you have sold, transferred or your pet is now deceased you still need to contact the Shire, so records are up to date, and you do not receive any further renewals or notices.

You can find more information on pet registrations on the Shire of Trayning Website visit: Ranger Services » Shire of Trayning

From the Principals Desk

I would like to welcome back all the students and parents and carers to Term 4. I hope everyone enjoyed a restful break.

This is our final term of the 2026 school year, and we have many activities and plans to take us through to the end of the year. I am excited for the opportunities, celebrations and achievements to come.

Please take note of our calendar to see what's coming up and make sure you don't miss anything. We have several special events coming up, such as a Scitech incursion, school photos, swimming, end of semester reports, and much more, including the School Presentation Evening. So, remember to mark your calendars!

During this term your children will continue their learning and develop essential skills. It is imperative that they attend regularly to continue their learning.

As always if you would like to discuss anything please contact the office to make a time to meet or alternatively give me a call on 9683 1400.

Building our Dreams

Relationships, Achievement, Responsibility, Respect

Dear parents and carers

From Term 4 there is a new rule about **smart glasses**.

Smart glasses are banned from school and from events run by our school.

This rule is for everyone.

What are smart glasses?
Smart glasses have hidden cameras, microphones, or computer screens inside them.

Why do we have this rule?
We want everyone to feel safe at school. Smart glasses can take photos and videos without anyone knowing.

What should you do?
Please do not bring smart glasses to school or school events.

Normal reading glasses, sunglasses and prescription glasses are allowed.

Thank you for helping us keep our school safe.

If you have any questions, please talk contact the administration team.

Kind regards,

VICKI MACDONALD
PRINCIPAL

School Values

Our focus for weeks 1 and 2 of Term 4 is Relationships

Relationships: Djalkat

Relationships are critical to success in life and work. Meaningful relationships create a sense of belonging, engagement and purpose, inspiring students to learn, leading to better educational outcomes. As with rabbits' relationships are important and help with socialisation.

POLICE NEWS

Bencubbin Police Station, Lot 282 Monger Street, Bencubbin, WA 6477
Phone: (08) 9685 0200

Hello everyone,

Family violence investigation
On 3 September 2026, Bencubbin Police arrested and charged a man following an investigation into an alleged breach of a Family Violence Restraining Order and an alleged indecent act. Security camera footage formed an important part of the evidence gathered by police. The matter is now before the court. If you are in immediate danger, call 000. For non-urgent police assistance, call 131 444.

Threats investigation in Beacon
On 13 September 2026, police in our cell responded after people in the Beacon area allegedly received threatening messages, photographs and audio recordings. Police arrested a man, who was charged with two counts of making threats. The matter is now before the court. Anyone receiving threatening communications should preserve the original material for police and to consider obtaining a Violence Restraining Order.

Damage at Don Mason Community Centre
Police are investigating damage to a window at the Don Mason Community Centre in Trayning during afternoon on Wednesday, 16 September 2026. The damage is estimated at $1,000. Anyone with information is asked to contact Bencubbin Police Station on (08) 9685 0200 or Crime Stoppers on 1800 333 000.

King's Birthday long weekend double demerits
Double demerit points will apply from 12.01 am on Friday, 25 September 2026 until 11.59 pm on Monday, 28 September 2026. Police will conduct heightened road-policing enforcement across the long weekend - anywhere, anytime. Double demerits apply to speeding, driver seatbelt offences, illegal mobile-phone use, driving with a blood alcohol concentration of 0.05 or above, prescribed illicit-drug offences or failing to provide an oral-fluid or blood sample, and contravening a red traffic-control signal or arrow.

Driving a vehicle fitted with a device designed to evade detection by a speed camera, or driving in a manner intended to evade detection by a safety camera, attracts 14 demerit points during the double-demerit period.

Finally, with the Wyalkatchem Rodeo falling on the same day as Fremantle's Grand Final against Brisbane, local police will be trading the MCG for the rodeo grounds. We are hoping for safe crowds, good behaviour and - if it is not asking too much - a Dockers premiership as well.

Until next time, stay safe. **Bencubbin Police.**

To Snip or Not To Snip?

BY THE REGIONAL MEN'S HEALTH INITIATIVE
October 2026

When we as blokes, arrive at the decision with our partners that the pitter-patter of tiny feet, 2am feeds and toxic nappies are not on the agenda any more, then some form of permanent contraception is one possible pathway. There are options for the ladies in our lives, but those options can involve major surgery and unwanted side effects. The male version in terms of permanent surgical sterilization is the vasectomy and by comparison it's minor surgery with little to no side effects.

The first question is, what exactly is a vasectomy? Quite simply it is the cutting and sealing of the tubes (vas deferens) that carries sperm from the testes to the penis. It is usually done under local anaesthetic via a very small incision on each side of the scrotum, and despite 'The Snip' being the slang term, it doesn't usually involve scissors.

The most important question in many bloke's minds is, *does it hurt*? and we're well within our rights to ask this. We've already spent a lifetime keeping our crown jewels out of harm's way and on the odd occasion that we haven't, well, it hasn't ended well. The short answer is no. Some bruising and slight discomfort over the first couple of days is normal but not debilitating. A warning to my three-year-old daughter not to jump off the end of the lounge into my lap four hours after surgery would have been useful in hindsight and I definitely wouldn't suggest riding your bike home after the op!

An important point to keep in mind, is the fact that the sperm already in your reproductive system will remain viable little swimmers for up to 3 months or until the *pipes are clear*. It's not uncommon for couples to fall pregnant in the months immediately following a vasectomy, an irony not immediately all that humorous to those affected.

A lot of guys worry that it will affect their experience of sex however this typically isn't the case, as outwardly there is no visible difference to ejaculate nor usually any change to sensation. The vasectomy in no way interferes with erectile function nor with orgasm which no doubt is a relief to those considering the procedure.

A vasectomy should be considered permanent even though there is a procedure known as a vasectomy reversal. A successful reversal is by no means guaranteed, with success anywhere between 40-90 % but falling away rapidly with age, time between surgeries, and other complications. For this reason, you need to be absolutely certain; besides, repeat operations on our 'agates' don't figure very highly on anyone's 'to do' list.

To decide whether a vasectomy is right for you, *the ball is in your court* so to speak. You need to be sure that you and your partner have completed your family and that you want to take responsibility for family planning. On the flip side, a vasectomy is not something to be rushed into if you are relatively young; recently separated, divorced or having relationship problems.

So, all in all it's a decision you and your partner need to make together, it is a major decision.

BETWEEN THE DITCHES

with the Unbiased Bowler

Pennant season is well and truly underway, and the greens are once again alive with the sound of rolling bowls, friendly banter and the occasional suggestion from the sidelines!

It's been great to welcome some new faces to the club, along with a few familiar ones making their return. The men's numbers are looking strong, while our women's side could still do with a few extra hands on deck. **So ladies, if you've ever fancied giving bowls a go, come along to Friday night practice!** No experience necessary, just a willingness to have a roll and enjoy some good company.

Our **Men's Pennant team** opened the season with a strong line-up, but unfortunately the opposition had other ideas! Despite some determined bowling, the day finished with a draw and a couple of losses. Not quite the start we'd hoped for, but there's plenty of bowls left to play.

Meanwhile, **Trayning hosted the Women's Gather Round**, bringing all the clubs together for a good old catch-up with our summer friends before the competition gets into full swing. There was plenty of chatter, laughter and, somewhere amongst it all, a bit of serious bowling! Our ladies finished with a draw and a loss.

The good news? **Both our men's and women's teams have points on the board!** The season is young, the bowls are rolling, and there's plenty of time to turn those close ends into wins.

Coming Up on the Greens

Men's Fixtures

- 24 October: Away against Koorda
- 25 October: League Fours at Beacon
- 31 October: Away against Mukinbudin Gold
- 7 November: Home against Bencubbin
- 8 November: League Pairs at Mukinbudin/Bencubbin
- 14 November: Away against Mukinbudin Green

Women's Fixtures

- 21 October: Away against Nungarin
- 28 October: Home against Beacon
- 4 November: Home against Mukinbudin
- 11 November: League Fours at Beacon
- 14–15 November: ILRR Fours at Kellerberrin
- 18 November: Away against Bencubbin

As always, **spectators and supporters are welcome at our home games**. There's nothing quite like a bit of encouragement from the sidelines, although we can't promise the bowlers will always take the advice!

Here's hoping the coming weeks bring plenty of close ends, a few more wins and, most importantly, good company on and off the green.

Until next time, keep your bowls on the green, your bias under control and your excuses ready!
