## **KTY Youth Hub Project** **Concept plan revealed**

In April, young people from the Shire of Trayning came up with ideas to transform the Trayning Play Group into a new Youth Hub.

Join us on Saturday 4 June when we reveal how their ideas have shaped a new design for this exciting space.

The day will involve young people refining the concept, being allocated project tasks, roles and responsibilities and then we'll kick start the renovation of the site.

Young people and community volunteers warmly welcomed.

## NEWSLETTER

May 2022

The North Eastern Wheatbelt Regional Organisation of Councils is a voluntary organisation of seven local governments, established for over 20yrs. The purpose of NEWROC is to *work together for successful communities*. NEWROC achieves this with *regional collaboration to champion opportunities for the communities*.

### NEWROC Town Team Builder

In February 2022 NEWROC welcomed Alyce Ventirs to the position of Wheatbelt Town Team Builder. Alyce has begun meeting with Shire's and communities of NEWROC and is currently working on the KTY Do Over, as well as engagement and placemaking activities in the towns.

### KTY DO Over

Preparations for the 'KTY Do Over' are well under way. A community inception workshop was held on 27th February hosted by Town Team Movement, RAC, and the Shire of Trayning. Approximately 60 community members from across Yelbini, Kununoppin, and Trayning attended. There were a number of ideas shared and great enthusiasm on the day. The projects for the Do Over include - Don Mason Community Centre Outdoor Area and Garden, Telstra Box Block, Youth Centre, Dog Park, Outdoor Movie Screen, and a Street Party to celebrate. The KTY community continue to meet and prepare for the projects and are excited to participate in the 'Do Over'.

**'KTY Do Over' Save the Date:  
Saturday 3<sup>rd</sup> September 2022**

### Dowerin This Together

The 'Dowerin This Together' Town Team has been hard to prepare and renovate the space outside the Dowerin General Store. On Saturday 2nd April the 'Tin Dog Hub Launch' brought the community together to showcase a uniquely designed mural. This project was sponsored by the RAC Connecting Community Funding.

### Meeting with the Minister for Energy

The Shire of Wyalkatchem CEO and NEWROC EO met with Minister Johnson online in March. The purpose of the meeting was to share issues with power reliability across the NEWROC communities and request assistance with an energy project the NEWROC are investigating.

### Looking for Staff?

The Beacon CRC, NEWROC, WEROC, Wheatbelt Business Network, RDA Wheatbelt and CBH are exploring the establishment of a designated area migration agreement (DAMA) which is a formal agreement between the Australian Government and a regional, state or territory authority. It provides access to more overseas workers than the standard skilled migration program.

We currently have a survey out and are seeking employer feedback to determine what skills are a priority.

### Regional Subsidiary

The NEWROC is considering forming a regional subsidiary formalise our entity so that we can continue and enhance the work we have undertaken over the past 25yrs. We invite members of the community to read the information available at

## About Us

Carers WA is a community organisation that provides free supports and advocacy to carers in WA.

We offer a range of programs and services to help you manage your caring responsibilities and look after yourself.

## Services available through Carers WA and Carer Gateway

 **Counselling** If you are feeling stressed, anxious, sad or overwhelmed with your caring role, a counsellor can talk with you about your worries in person or over the phone.

 **Practical support** Funding is available for a range of practical supports to assist you in your caring role or help you access education or employment.

This may include supports such as household help, transport to medical appointments, respite or a training course.

 **Connect with other carers** Meet people in similar caring situations at local community events and workshops. Share stories and advice, and take a break from your caring role.

To access relevant, free supports and services, call us to complete a simple planning session about your needs as a carer.

## Contact Us

Want to make more  
with your land?

Earnings of  
\$5,200 / year / cabin

## How does it work?

**Step 1:** We agree on the number of suitable locations for tiny cabins on your land and sign a 24 month lease with you. Heyscape will pay you a rental fee of \$100 per week per cabin on your land.

**Step 2:** Heyscape will work with your local Shire to make sure they comply with the local development regulations and health & safety requirements

**Step 3:** Once ready to operate Heyscape start setting up cabins on your land. Heyscape advertise and handle the bookings and all the guests communication. You simply keep the location tidy & safe (keep the access road open, contain the vegetation to reduce the bushfire risk etc.). Heyscape send a cleaner to do the change overs.

## Interested in hosting a tiny cabin in the Wheatbelt Way?

Heyscape are looking for cozy secluded spots in the Wheatbelt, think natural beauty, breath taking views, wildlife, livestock.....

Interested but have lots of questions? NEWTRAVEL (your local tourism association) may be able to help! We are keen to explore this opportunity with you.

## HOST A FARM STAY *in the Wheatbelt Way*

### Diversify?

Are you interested in how becoming involved in tourism could help diversify your farm's income streams?

### Host Tiny Accommodation?

Do you have a unique spot (think secluded spot, true natural beauty, breath taking views, wildlife, livestock...) on your farm that you could be paid to host self-contained Tiny Cabin? Earnings of \$5,200/year/cabin?

### Spare House or Rooms?

Or are you interested in making use of a spare farmhouse or room? Meet people from all walks of life and from all over the world?

### Educate?

Could you offer experiences about farm life, agriculture and its produce?

### Grow?

Could you be a part of growing the Wheatbelt Way visitor economy by providing unique, memorable experiences? What ideas do you have?

### INTERESTED, HAVE AN IDEA BUT HAVE LOTS OF QUESTIONS?

## Community Feral Animal Control Funding

Are foxes, cats and rabbits having an impact on your bottom line?

Feral animals impact Wheatbelt farms and take out large numbers of native species.

Our Healthy Bushlands program offers pest control support to anyone wanting to reduce the effects these animals are having on native species in bushland on, or adjacent to, their property.

If you require more information contact Alex Griffiths on 9670 3102 or email [agriffiths@wheatbeltnrm.org.au](mailto:agriffiths@wheatbeltnrm.org.au)

Dear Parents, Carers and Community Members

Welcome to our first newsletter for Term 2. Apologies for the lateness. The beginning of Term 2 has been very busy preparing for and conducting NAPLAN.

#### NUMERO

We finished last term with a visit from Julie Richards from Numero. Julie came to the school to go through the rules of Numero with all the students. We all had a great day where some of us learnt how to play, some got a refresher and we all got to play the game, Numero. Numero is an educational maths game designed to improve mental maths. Our students are given opportunities to practice what they have learnt in the classroom.

#### NAPLAN

On Thursday our year 3 students completed their final NAPLAN assessment. I am fairly confident they are glad it has concluded. Results of NAPLAN will be available to parents of NAPLAN students later in the year.

#### ANZAC SERVICE

Our school Anzac Service was held on Thursday of Week 1. The students presented the service along with Digger Brooks who arrived with his trailer of memorabilia. All of our students had the opportunity to walk around and look at the memorabilia and Digger Brooks answered their questions. It was a lovely afternoon.

#### SCITECH

Last week we were visited by the Scitech team. Unfortunately, they were unable to get their huge dome up and running, however they presented some fabulous workshops for the students. Everyone had an amazing time and learnt a lot about the planets. Even the staff were involved in becoming planets and moons on the oval. You can see by the photos on the following pages how engaged the students were.

#### PARENTS AND CITIZENS MEETING

The parents and citizens meeting that was scheduled for 12 May has been postponed. A new date will be advised soon.

## COVID UPDATES

Under the new Health Department protocols, a close contact is now deemed as anyone living in the same house as someone who has tested positive. It is important to note that close contacts can still attend school as long as they don't have any symptoms, they wear a mask to school, and they take a RAT test every morning before arriving at school. We ask that you notify the school if your child is a close contact.

If your child becomes unwell during the school day, we will contact you to collect them even though they may have had a negative test in the morning. We ask that if your child is unwell, that you keep them home and continue testing either by RAT or getting a PCR for peace of mind.

Children testing positive must remain at home and in isolation for 7 days. When you advise the school of a positive test, we will make arrangements for a work package to be sent home. We will then make contact with you and your child whilst they are in isolation to check on how they are going with the work package and to see if there is anything we can do to assist.

## SUPPLY OF RAT'S TO FAMILIES

We have received a supply of RATs to distribute to families. Please contact the school to make arrange a time for you pick up your 20 RATs per student. Unfortunately, we are unable to send the RATs home with students.

## STEPHANIE ALEXANDER KITCHEN

Work has begun in our garden. Thank you to Dylan Tarr who kindly donated his time to burn out the old stumps and use his bobcat to clear the bed so that we have a clean slate to start our project. The students have begun designing what they think it should look like and what sort of vegetables and herbs we should be planting. This is a long-term project that we hope to become a sustainable and integral part of the school in many learning areas. If anyone is a green thumb and has any words of wisdom or suggestions on suitable plants for this time of year please do not hesitate to contact me and have a chat.

## OZ HARVEST FEAST

This is a food waste education program that is running in our senior room. It inspires kids to eat healthy, waste less, and become change makers in their local community. The program is aligned to the curriculum and gets kids immersed in hands-on cooking activities in the classroom. Last week the students made banana pancakes. We look forward to see what they are making tomorrow. Don't forget to ask your child what they made, how they made it and what it tasted like.

## PIRATE DAY

Pirate Day coincided with Walk to School Day, so we took a small walk to the Shire offices to parade for the staff there. The students looked great, and a fun day was had. We raised \$84.00 our highest amount so far, thank you to everyone for their generous donations and support for research into childhood brain cancer.

## STAFF DEVELOPMENT DAY

Please put Friday 3 June in your diaries. Students will not be attending school on this day. Staff will be participating in Professional Learning. Monday 6 June is Western Australia Day so it will be an extra-long weekend for those that wish to go away.

## MERIT CERTIFICATES AND AUSSIE OF THE MONTH

Congratulations to the following students, Junior Merit Certificate received by Jaylee Pitts, Senior Merit Certificate received by Samara Pitts and Aussie of the Month was Nat Tarr.

Can I ask that in this world of chaos, i.e. COVID, what's happening in Ukraine, the upcoming elections, that we all take some time to be kind and to take care of each other.

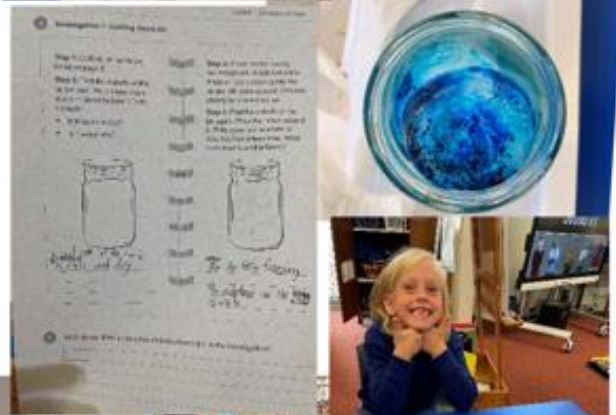

Always working together.

*Vicki Macdonald*
