9.1 Update on WSNF Project

WSNF Program Director, Mr John Nuttall gave an update on the WSNF Project and advised:

- The Program Proposal Report (PPR) for the current 23/24 Yr Program has not yet been signed off by the Federal Government, and this is currently delaying affected LGs from commencing Upgrade works. He visited Canberra in September (2023) and was told then that the PPR should be signed off at the end of September. The reason given by the Federal Government for the delay, is that this signing off wont be completed until the ninety (90) day Infrastructure Australia Review is complete. The committed WSNF Funding is not under threat, but cannot be used until this PPR is signed off. Affected LGs can claim the first 20% of funding, which is matching State Funding.
- The WSNF has produced an ongoing rolling Program and is hopeful of leveraging funding in the future to keep this Program running.
- All Wheatbelt LGs have been given access to the WSNF Website to access all Documents and Programs.
- The WSNF Office located in Keane St in Midland, just near Midland Gate Shopping Centre, is available for Member LG's use.
- The WSNF is currently re-assessing the Freight Routes and MCA System. This will not affect existing approved Programs.
- MRWA have agreed to permit Linemarking on all WSNF Routes. However, since linemarking is a Regulatory requirement, all Linemarking still needs to be approved via the MRWA Regulatory Approvals process (MRWA to agree to Linemarking details and approve Drawings, and check setting out onsite prior to Linemarking).

Ms Alli Hunt also advised that Ms Jacqui Early from the MRWA Narrogin Office will be administering WSNF Funding Claims from this point on.

The Chairperson closed the meeting and re-opened it at 9.40 am to discuss the next meeting dates item.
