Voting Requirements:	Absolute Majority

Purpose of Report

For Council to consider the appointment of a suitably qualified and experienced person to the position of Independent Deputy Presiding Member to the Shire of Trayning Audit, Risk and Improvement Committee.

Background

Recent legislative reforms in accordance with the *Local Government Amendment Act 2024*, proclaimed late last year, amended sections 5.12 and 5.13 of the *Local Government Act 1995*. The amendments required local governments to change the name of the Audit Committee to the Audit, Risk, and Improvement Committee (ARIC), and to appoint an independent presiding member of the committee, by absolute majority of Council. These processes were adopted by Council at the Ordinary Meeting of Council held on 16 July 2025.

In addition to the independent presiding member, it is a requirement for Council to appoint an Independent Deputy Presiding Member to the ARIC.

The position of Independent Deputy Presiding Member was advertised recently throughout the Shire seeking expressions of interest with applications closing on Friday 24 April 2026.

During the advertising period we did not receive any enquiries pertaining to the position and at the close of applications nothing was received.

Officer's Comment

Since the closure of the advertising period, I have spoken with former Councillor, Mrs Valda Knott, regarding her potential interest in the position. Mrs Knott has indicated that should Council be supportive of her appointment then she will be willing to accept the role.

The appointment of Mrs Valda Knott is being presented for Council consideration.

9.3.2 Trayning Primary School Library Merger Proposal

Date of Report:	11 June 2026
Proponent:	Peter Naylor, CEO
File Ref:	11.4.1
Officer's Disclosure of Interest:	Nil
Attachments:	9.3.2a Shire CEO re Community Library Hub 9.3.2b Community Library Hub Proposal 9.3.2c Public Library Statistics Report
Voting Requirements:	Absolute Majority

Purpose of Report

For Council to consider a proposal from the Trayning Primary School for a merger of the School and Shire libraries.

Background

Correspondence has been received from the School Principal, Vicky McDonald, proposing a merger of the School and Shire library operations.

This not a totally new concept and is becoming more common in rural areas.

The proposal is for the community library which is currently located within the Shire Administration Building to be relocated to the Trayning Primary School Library and be operated in coordination with and from the School Library.

Officer's Comment

The CEO and Manager Corporate Services had a meeting with the Principal and School Manager Corporate Services on 20 May 2026 to discuss how the proposal may work and to address several matters which may be of interest and / or concern to the Council and community should the merger proceed.

Following the meeting further information has been provided in support of the proposal, as detailed hereunder in italics:

Background

Trayning Primary School proposes a shared-use Community Library Hub to expand access to literacy resources, strengthen community engagement, and maximise the use of existing facilities and opportunities for intergenerational engagement.

Through this project we hope to:

- Enhance community services and facilities.*
- Strengthen community participation and connection.*
- Support lifelong learning and social wellbeing.*

Following initial discussions, additional clarification has been requested by the Chief Executive Officer regarding operational and governance considerations.

Proposal

The Community Library Hub will operate during school days, with controlled community/public access, supported by clear supervision, sign-in processes, and restricted access zones.

Key Considerations

There will be supervised access and restricted zones within the school that will be clearly marked with direct entry/exit pathway to library available through the Staff Carpark.

Directions with signed and safe access to staff toilet facilities will be made available.

Movement of visitors will be restricted to approved areas only to ensure student and community safety.

Parking is available in the staff car park or in the marked bays on Adam Street.

Student and Adult collections will be separated. In general, the students will have their library access outside of the hours proposed for community access, unless there is a specific event, at which time the community will be advised and an invitation extended to attend the function/activity.

The library will be staffed by Trayning Primary School staff trained in the library system.

The library will be open for community access for set hours during the school term.

The library will be open for community access for set hours during the school holidays.

A published timetable will be made available to ensure clarity around availability.

Opportunities for community partnerships and volunteer support will be explored to enhance sustainability.

Any changes to times will be made available on the Trayning Shire site and the Trayning Primary School Facebook page.

Times that may be suitable but are open for negotiation and adjustment may be as follows.

- *1:00pm to 3:30pm Monday to Friday*
- *There is a possibility to include some am hours.*

Possible activities could be (but are not limited to):

- *public reading events*
- *author workshops*
- *Mothers and Father's Day activities*
- *Grandparents' day activities*
- *Read to a student day*
- *Afternoon tea with an Elder*
- *Family events*
- *Christmas Carols in the Library*

Separation of Children/Adult Books

The library will maintain clearly defined sections:

- *Student/children's collection*
- *Adult/Community collection*

This will ensure age-appropriate access and supports for both educational and community use.

Financial Implications

Minutes: Ordinary Council Meeting of Shire of Trayning Council held on Wednesday 17 June 2026

Any freight costs, staffing costs, etc associated with sourcing or exchanging library resources will be managed through existing school/library arrangements.

Risk Management

Risks relate to supervision, safety, and sustainability. Mitigation strategies include controlled access, clear procedures, and compliance with policy and procedures.

Recommendation

Council is invited to review, provide feedback, and support further collaborative planning.

Should Council be supportive of the proposal, in addition to, and to formalise the arrangement, it is proposed that a Memorandum of Understanding be entered into between the Shire of Trayning and the Trayning Primary School to ensure that the proposed merger is a smooth transition and to protect each of the entity's interests. This may be of particular need should there be a change in the principal and / or Council members who do not support the arrangement.

Public Library borrowing figures for the 2024–2025 period totalled 147 transactions, as shown in the statistics provided in Attachment 9.3.2c.

Given the minimal amount of usage of the Shire Library the relocation and merger of the two libraries seem to be a reasonable proposal especially if the concept of the various community activities as provided above were to evolve.

The proposal is certainly worthy of Council consideration and perhaps be advertised seeking community comment.
