#### **Purpose of Report**

In response to correspondence from the Joint Standing Committee on Delegated Legislation –

- to revoke Resolution 12.2025.114 relating to item 9.3.1 Activities in Thoroughfares and Public Places and Trading Local Law; and
- to adopt a new resolution for the undertaking requested by the JSCDL.

#### **Background**

The local law was published in the Government Gazette on 27 October 2025, and as required by the *Local Government Act 1995*, all necessary documentation was submitted to the JSCDL. The local law is to be considered by Parliament, and any disallowance made within 10 sitting days. The JSCDL considers local laws on behalf of Parliament, and in this case has required an undertaking from Council to amend the local law as the issues they identified were not considered fundamental to the operation of the local law.

Council resolved to make the requested undertaking at the Council meeting held on Wednesday, 17 December 2025.

The JSCDL has since advised that a number of additional issues have arisen and requested that these be included in the resolution previously made.

#### **Officer's Comment**

Please note that the CEO has received a valid Notice of Motion for Revocation of Item 9.3.1 Activities in Thoroughfares and Public Places and Trading Local Law, Resolution 12.2025.114.

The simplest and most straightforward way of meeting the JSCDL requests is to revoke the previous resolution and re-adopt, with any necessary changes incorporated.

In addition, several more matters were identified and are also included.

#### **Purpose of Report**

In response to correspondence from the Joint Standing Committee on Delegated Legislation –

- to revoke Resolution 12.2025.117 relating to item 9.3.4 Activities in Thoroughfares and Public Places and Trading Local Law; and
- to adopt a new resolution for the undertaking requested by the JSCDL.

#### **Background**

The local law was published in the Government Gazette on 27 October 2025, and as required by the *Local Government Act 1995*, all necessary documentation was submitted to the JSCDL. The local law is to be considered by Parliament, and any disallowance made within 10 sitting days. The JSCDL considers local laws on behalf of Parliament, and in this case has required an undertaking from Council to amend the local law as the issues they identified were not considered fundamental to the operation of the local law.

Council resolved to make the requested undertaking at the Council meeting held on Wednesday, 17 December 2025.

The JSCDL has since advised that a number of additional issues have arisen and requested that these be included in the resolution previously made.

#### **Officer's Comment**

Please note that the CEO has received a valid Notice of Motion for Revocation of Item 9.3.4 Public Places and Local Government Property Local Law, Resolution 12.2025.117.

The simplest and most straightforward way of meeting the JSCDL requests is to revoke the previous resolution and re-adopt, with any necessary changes incorporated.

In addition, several more matters were identified and are also included.
