File Ref:	4.1.2.3

Officer's Disclosure of Interest:	Nil

Voting Requirements:	Simply Majority

Purpose of Report

To seek Council approval to amend the date of the September Ordinary Meeting of Council previously advertised for the 2026 calendar year.

Background

Council previously adopted and advertised the schedule of Ordinary Council Meetings for 2026. Due to the Local Government Convention being held in September 2026, it is proposed that the Ordinary Council Meeting scheduled for Wednesday 16 September 2026 be rescheduled to Wednesday 9 September 2026.

The proposed change will assist in accommodating Council Members and staff attending the Local Government Convention and ensure the Ordinary Council Meeting can proceed with appropriate attendance.

Officer's Comment

It is considered appropriate to reschedule the September 2026 Ordinary Council Meeting to avoid a conflict with the Local Government Convention. This will provide Council Members and relevant staff with the opportunity to attend the Convention without affecting the conduct of the Ordinary Council Meeting.

The proposed change from 16 September 2026 to 9 September 2026 maintains the regular monthly meeting cycle as far as practicable and allows sufficient time for Council business to be considered and reported to Council.

Consultation

Internal consultation has been undertaken with relevant officers and meeting scheduling requirements considered.

Statutory Environment

Pursuant to Section 5.25 of the Local Government Act 1995, Council is required to give local public notice of the dates, times and locations of Ordinary Council Meetings.

Policy Implications

Financial Implications

9.3.2 2026 WALGA Convention

Date of Report:	6 August 2026
Proponent:	Chief Executive Officer
File Ref:	4.3.5.8 – WALGA Local Government Convention
Officer's Disclosure of Interest:	The Officer would be required to attend the Convention if Councillors do
Attachments:	9.3.2 WALGA Local Government Convention Program 2026
Voting Requirements:	Simple Majority

Purpose of Report

To determine attendance by Councillors and Staff at the 2026 Western Australian Local Government Association Annual General Meeting and Local Government Convention.

Background

The Western Australian Local Government Association (WALGA) Local Government Convention will be held from Wednesday 16 September to Friday 18 September 2026 (inclusive) at the Perth Convention and Exhibition Centre.

The theme of the convention is "Tomorrows World".

Officer's Comment

The Program for the WALGA Convention has now been finalised and has previously been circulated to Councillors and is also attached.

Please note that WALGA advise that every attempt has been made to include content on the 2026 Convention program that will be of interest to small rural local governments.

Consultation

There has been no consultation in this regard.

Statutory Environment

There is no statutory requirement to attend the Western Australian Local Government Association Annual General Meeting or Convention.

Policy Implications

Policy 1.9 Continuing Professional Development of Elected Members specifies that the President and WALGA Great Eastern Country Zone delegates and the Chief Executive Officer and their partners are entitled to attend the WALGA Local Government Convention.

Councillors other than the aforementioned may attend with a maximum of four attending each year. Apart from the Shire President and Great Eastern Country Zone delegates, Councillors will be selected based on recent attendance at the convention.

The 2024 convention was attended by Councillors Leslie, Marchant and Naughton and the Chief Executive Officer, with Cr's Leslie and Marchant being registered as the AGM Voting Delegates and Cr Naughton as the Proxy Delegate.

The Shire President and Councillor Marchant are the Shire of Trayning's current Great Eastern Country Zone delegates.

The Shire of Trayning was not represented at the 2025 WALGA AGM and / or Convention due to Council considering that program did not contain a great deal of content that was of interest to small rural local governments.

Policy 3.2 Conferences, Meetings & Training – Attendance & Expenses encourages elected members to participate in training and attend the annual WALGA State Convention and details the expenses the Shire will pay.

The policy requires approval for attendance at a conference to be obtained from Council prior to the event.

Financial Implications

The draft 2026/27 Annual Budget includes the following provision for the 2026 WALGA State Convention:

Registrations (4 x \$2,000)	\$8,000
Accommodation (4 x 3 x \$900)	3,600
Meals (4 x \$450)	<u>1,800</u>
	<u>\$13,400</u>

If the maximum of four Councillors wish to attend the event, and the costs exceed the budget provision this can be amended accordingly during the Mid-Year Budget Review.

Strategic Implications

The Shire of Trayning Strategic Community & Corporate Business Plan includes the following strategic action:

Provide opportunities and appropriate resources for staff and elected member professional development.

Risk Implications

There are no significant risk implications in attendance or otherwise of the Convention.

In consideration of the Risk Matrix below, the matter is assessed as a Low risk due to the minor consequences associated with statutory compliance and governance obligations.

9.3.4 MANG Motor Sports Burnout Competition Proposal

Date of Report:	12 August 2026
Proponent:	Dane Laws (MANG Motorsports)
File Ref:	11.6.1.9
Officer's Disclosure of Interest:	Nil
Attachments:	9.3.4 DRAFT MOU MANG Motor Sports
Voting Requirements:	Simple Majority

Purpose of Report

For Council to consider a proposal to conduct future burnout competitions at the Trayning Recreation Grounds.

Background

Dane Laws, on behalf of MANG Motorsports, has approached Council with a formal proposal to conduct future burnout competitions at the Trayning Recreation Grounds, making use of the existing burnout pad and facilities.

Their aim is to create a safe, well-managed, family friendly motorsport environment that brings visitors into Trayning, supports local services, and strengthens community involvement.

Mr Laws has limited experience in organising and running burnout competitions; however, the group appear to be very passionate about the sport.

They are committed to fostering a positive and inclusive environment for both community, participants and spectators.

Mr Laws has spoken to the CEO on several occasions and provided an online presentation to Council on Wednesday 22 July 2026 at the Council Forum. It seems they are keen to work closely with the Trayning community and the Shire of Trayning to ensure the events are a success and continue to grow in popularity with a positive reputation and to the benefit of the local community.

Officer's Comment

This proposal was discussed informally at the Council Forum held on Wednesday 22 July 2026, at which Council requested they continue to liaise with the CEO with the matter being formally presented to the August Meeting of Council for consideration.

In their proposal they have provided detailed information pertaining to the event overview and their safety and compliance requirements and welcome the opportunity to continue to meet with council and staff to discuss this proposal further, address any concerns, and work together on making this a successful and safe event for Trayning.

The support they respectfully request from the Shire is:

1. Permission to use the Trayning Recreation Grounds facilities and Burnout Pad for approved event dates;
2. Assistance in ensuring necessary local permits and safety requirements are met;

3. assistance with traffic management;
4. Collaboration on safety planning;
5. Promotion through shire channels; and
6. Guidance on any local requirements that need to be met.

Subsequent to the July Council Meeting, the CEO has had further discussions with the group and to help progress their application they have agreed to enter into a Memorandum of Understanding with Council for the use of the Trayning Recreation Grounds for their proposed events. The draft MoU is included as attachment 9.3.4.

The proposal is presented for Council consideration.

Please note –

- Clause 7.7 (3) Cancellation of monumental mason's licence. Subclause (3) deleted in favour of new Part 8A.
- Clause 8.1 Animals – replaced so that separate section for guide dogs is not required, and so that all assistance animals are recognised, not just guide dogs. In addition, compliance with Commonwealth legislation is required. These changes are consistent with more recent local law provisions.
- Clause 8.2 Guide dogs – deleted accordingly
- Part 8A Objections and review – the rights to review are specifically stated in the local law even though it is a right in the Local Government Act. If only in cl.7.7(3) there is the implication that the right is limited. Part 8A applies to all discretionary decisions of the local law, not just a mason's licence.

Once formally adopted by Council, the –

- the local law is to be published in the Government Gazette,
- local public notice given of adoption of the local laws (separate to previous advertising of proposals),
- signed copies are to be sent to relevant Departments, and
- copies sent to the Parliamentary Joint Standing Committee on Delegated Legislation together with other required documentation, within 10 days of publication in the Government Gazette.

Once published in the Government Gazette, a consolidation (updated) version of each local law is to be placed on the website, in accordance with the Local Government Act s.5.96A.

Please note –

- disallowance of the local law may be made by Parliament, and could take some time depending on sitting days,
- if a provision is not considered to be critical, the JSCDL may require an undertaking from Council to make an amendment,
- the local law takes effect on the day stipulated in the local law, generally 14 days after publication in the Government Gazette.

The JSCDL reviews the local law, its effects and may recommend to Parliament that it be amended and request an undertaking, or that it be disallowed. The JSCDL will not review the local law until after it has been formally adopted, Gazetted etc.
