### 10.2 Auditor Experience and Survey Results

At the State Council meeting of July 2023, the following advocacy position was adopted in relation to the survey of Local Government Audit Experience:

*That:*

1. *State Council note the Audit Experience Survey Results Summary; and*
2. *WALGA advocate to the Office of the Auditor General (OAG) to reform the audit process for Local Governments by seeking*
  - a. *Audits of Local Governments are completed and reported on in a timely manner and that the processes, procedures and scope of audits are consistently applied.*
  - b. *That the OAG review the requirements for preaudit information with a view to reducing the need for additional information where possible;*
  - c. *That the OAG review their costing formulae for Local Government audits and show constraint in audit cost increases;*
  - d. *That the OAG provide a breakdown on the cost of the audit and justification for any variance to the estimate to the Local Government as part of the final billing process;*
  - e. *That auditors be required to improve their communication and information management and avoid repeated requests for information that has already been provided or that is publicly available;*
  - f. *That Local Governments only be required to communicate with contract Auditors (unless the OAG is directly auditing the Local Government) and the onus be placed on the contract Auditors to confirm their advice with the OAG before instructing the Local Government;*
  - g. *In-conjunction with the Department of Local Government, Sport and Cultural Industries, review the application of Fair Value principles in the context of the audit; and*
  - h. *Seek an opportunity for Local Government to make representations in relation to any adverse findings prior to the publication of the report.*

*RESOLUTION 464.3/2023*

A letter has been sent to the Auditor General outlining WALGA’s advocacy positions and suggested reforms to the audit process for Local Governments.

In respect to item g, the Minister for Local Government, Hon David Michael has advised that he will make a regulation change to the Financial Management regulations to only require Local Governments to revalue assets once every five years. This will occur with the next instalment of regulatory reforms as part of the current legislative reform process.

This is very good news and an advocacy success for the Local Government sector and the Minister and Department of Local Government assistance on this matter has been appreciated.

The meeting discussed the Audit Readiness Guide released by OAG in July 2023, with WALGA inviting any comments arising from the content to be provided to assist with future communications and advocacy.

**NOTED**

**10.3 The Aboriginal Heritage Cultural Act**

On 8 August the State Government announced it will repeal the *Aboriginal Heritage Act 2021* that came into effect on 1 July 2023 and restore the original *Aboriginal Heritage Act 1972*, with amendments, notably:

- The newly formed Aboriginal Cultural Heritage Council will take on the role of the Committee established under the 1972 Act to make recommendations on Section 18 Notices to the Minister.
- Proponents and Native Title parties will have the same right of review for Section 18 decisions via the State Administrative Tribunal, with clear timeframes and an ability for the Premier to calling a decision of ‘State significance’, to act in the interests of all Western Australians.
- When a Section 18 has been approved, a new requirement for the owner to notify the Minister of any new information about an Aboriginal site – an important reform to help prevent another Juukan Gorge.

The [Aboriginal Heritage Legislation Amendment and Repeal Bill 2023](#) was introduced to Parliament on 9 August 2023. WALGA was not consulted on this decision, but the Premier has indicated that the Implementation Group on which WALGA is a participant will continue and that the group will work on the transition to the renewed 1972 legislation.

From a Local Government perspective, the following additional points are relevant:

- Local Aboriginal Cultural Heritage Services (LACHS) will not continue. Support will be provided to existing relevant Native Title groups, including the relevant Prescribed Body Corporations, registered claimants or native title representative bodies.
- There will be no requirement for landowners to conduct their own heritage survey.
- The Section 18 process will be strengthened, with these changes mainly impacting miners and Government, whose work most impacts cultural heritage.
- The Government will commence a 10-year plan to undertake heritage surveys of unsurveyed areas in “high priority” areas of the State.

The sector will be kept informed of progress and engaged where appropriate in the coming months.

**NOTED**

## 10.4 Proposed Boundaries for the 2025 State General Election

Item 9.4 of the State Council Agenda summarises the Flying Minute that was distributed to the Zone on 10 August 2023.

WALGA advise Members that the close date for submissions was 21 August 2023 and encourage Local Governments to reply to meet the deadline. WALGA has submitted a submission.

### **Executive Officer Comment:**

The Commissioners' proposal to reduce the number of non-metropolitan districts by one is open for objections until Friday 21 August. Whilst WALGA is submitting an Objection Paper on behalf of the sector, a submission has been prepared on behalf of the Great Eastern Country Zone. This is in response to the widespread objection within the Zone to the boundaries proposal to reduce the number of non-metropolitan districts by one as the reduction in political representation will negatively impact rural and regional communities.

The Zone Submission is under development at the time of writing and will be distributed to Zone delegates prior to the meeting.

### **RESOLUTION**

**Moved: Shire of Yilgarn**

**Seconded: Shire of Merredin**

**That the Great Eastern Country Zone endorse the Objection to the Proposed Boundaries for the 2025 State General Election.**

## 10.5 2023 Local Government Elections – Zone Office Bearer Elections

*By Chantelle O'Brien, Governance Support Officer*

### **BACKGROUND**

With the bi annual Local Government elections being held on Saturday, 21 October 2023, Zones will also be required to hold an election process for State Council representatives.

A chronological overview of the process is detailed below:

- Local Government elections occur on Saturday, 21 October 2023.
- Member Councils to elect/appoint their Zone Delegates and to advise the Zone Executive Officer, as soon as possible but preferably by 3 November 2023.
- For the purpose of electing their representatives and deputy representatives to the WALGA State Council, the Zones are required to hold these elections at their November 2023 meeting.
- Zones to advise WALGA, in writing, of their elected State Council representative and deputy representative immediately following the 2023 November Zone meeting.
- A State Councillor Induction Session will be held for all State Council representatives and deputy representatives before the first meeting in December.
- The new State Council will take office at the Ordinary Meeting of State Council on **6 December 2023**.

In relation to the nominations and election process to be followed by each Zone in electing a representative and deputy representative to the WALGA State Council, the below process has been instituted by State Council:

1. Zone Executive Officer to write to all Member Councils no later than 1 month prior to the Zone meeting at which the election is to be held calling for nominations from Delegates to the Zone for the positions of representative and deputy representative to State Council. The correspondence is to state that all nominations are to be made in writing to the Zone Executive Officer, and only Elected Members who are a nominated Zone Delegates are eligible to nominate. The time period for the receipt of nominations is preferably to be **one week prior** to the Zone meeting at which the election will be held. However, nominations will be accepted from the floor at the Zone meeting.
2. Zone Executive Officer to receive written nominations from Zone Delegates for the positions of representative and deputy representative to State Council and then provide written confirmation to Member Councils of the nominations received.
3. Elections are to be held at the next Zone meeting as the first item of business. Nominations will be permitted from the floor at the Zone meeting. Where there is more than one nomination for each vacant position, an election will be conducted using a secret ballot, with the Zone Executive Officer to represent WALGA as the returning officer for the election. Prior to the ballot, nominees for each position are to be extended the opportunity to provide a 2 minute election bid to Delegates.
4. All voting Delegates to the Zone are entitled to cast one (1) vote in the ballot process. The candidate with the greater or greatest number of votes is elected to the office.
5. **Tied vote** – in the event of a tied vote, election will be determined by drawing names from a box. The Secretariat will put the names of the candidates concerned in a box and the first name drawn is the Elected Member.
6. Zone Executive Officer to advise WALGA in writing immediately following the Zone meeting of the outcome of their elections.

If you have any questions or require further information in relation to the above mentioned process, please contact Tony Brown, Executive Director Member Services on 9213 2051 or email [tbrown@walga.asn.au](mailto:tbrown@walga.asn.au).

## 12. Western Australian Local Government Association (WALGA) Business

### 12.1 State Councillor Report

Cr Stephen Strange

Cr Strange referenced our guest speakers and encouraged Members to engage with and stay involved with these valuable services.

It is of utmost importance for Zone Local Government delegates to attend the AGM occurring on Monday 18 September 2023 in order to vote on WALGA's governance review. Cr Strange encouraged Members to consider the new model proposed which, in his opinion, will encourage more agility resulting in more being done for the Zones and a more modern WALGA.

Cr Strange also highlighted a trend of dangerous truck driver behaviour, potentially exacerbated by inadequate training and driver's on work visas being unfamiliar with rural road environments. More discussions are needed on common issues and what can be done, with this proposed as a future Executive Committee matter of business..

**Seconded: Shire of Cunderdin**

### Matters for Decision

#### 7.1 Local Emergency Management Arrangements (LEMA) Advocacy Position

1. *The State Government should fund the implementation of the Local Emergency Management Arrangements (LEMA) Improvement Plan endorsed by the State Emergency Management Committee (SEMC).*
2. *A reformed LEMA system should:*
  - a) *Clearly articulate the roles and responsibilities of Local Governments in emergency management;*
  - b) *Simplify the reporting processes and reduce the administrative burden of maintaining compliance;*
  - c) *Provide a suite of scalable tools and guidance materials that are accessible through an online knowledge hub;*
  - d) *Build the emergency management capacity and capability of Local Governments through the provision of targeted training, exercising support, human resources and sustainable funding;*
  - e) *Assist Local Governments to continue to deliver their core business activities and provide public information during an emergency event;*
  - f) *Improve the connectivity of Local Governments' various risk management and hazard planning processes through an integrated approach; and*
  - g) *Enable resource sharing and collaboration across the Local Government sector.*

#### 7.2 Advocacy Position on Road Works during Total Fire Ban

1. Road Activity Tiers: That there be a tiered risk approach for road work activities and associated controls, based on the proposed activities and fire danger forecast.
2. Local Government operations: That any controls specified in regulations to provide effective risk mitigation and response be able to be implemented within the works crew deployed for the task.

**13. Emerging Issues**

**13.1 Road Usage Agreement**

*Shire of Yilgarn*

Cr Della Bosca discussed the Shire’s frustration with completing negotiations with a heavy road user company for 113km of roads within the Shire. WALGA’s guidelines are not reflective of current economic status or considerate of smaller Local Governments with lower ratepayer income. The Shire have estimated a cost of \$84-90million over a 40 year period to ratepayers based in WALGA’s guide. This cost and risk cannot be imposed on ratepayers.

**ACTION:** The Great Eastern Country Zone agreed to receive information on road use agreements through the WALGA Executive for the November Agenda.

**13.2 NEWROC workshop**

NEWROC are hosting a workshop in Nungarin on Thursday 7 September on empowering producers to provide better land access. Registration can be completed through Caroline, [caroline@newroc.com.au](mailto:caroline@newroc.com.au)

The collaboration between Local Governments has been great and is the best way to succeed. Cr Davies thanked State Councillor Stephen Strange for all he does for the Zone. Cr Davies mentioned Country Councillors are so valuable as they truly have their community in mind and encouraged new Councillors to come on board. A special thanks was given to Chair President Cr Tony Sachse for his leadership and his willingness to go above and beyond for the Great Eastern Country Zone.
